BLAKENEY must be one of the most sought after coastal villages in North Norfolk. The whole coastal area, much of it owned by The National Trust, is designated as an Area of Outstanding Natural Beauty, attracting both sailing enthusiasts and ornithologists. The village retains a unique atmosphere with many of the old mariners' and merchants' houses remaining in its narrow streets with others tucked away in flint walled alleyways. The main street runs down to the Quay with its salt marsh and channels, with Blakeney Point beyond. There is a surprisingly wide selection of shops, public houses and hotels. A wider range of amenities can be found in the Georgian town of Holt, about 5 miles to the south.

Broadband: Openreach indicate that Superfast Fibre Broadband is available to the site.

Mobile coverage: Ofcom indicate that Vodafone and O2 would have voice & data available inside a property on the site. Ofcom indicates that Vodafone, EE, Three and O2 have voice, data and enhanced data available outside any new property on the site.

The site is situated in a conservation area
